MEMORANDUM FOR: Director of Security
SUBJECT : Commendation for Headquarters Federal Protective Guard Force

Charlie:

1. Reference is made to the attached note of congratulations from the Director of Central Intelligence for the fine performance of the Federal Protective Officers assigned to the Headquarters area, as reflected in the Jack Anderson article in The Washington Post on 15 February 1975.

2. It is a real pleasure to receive such words of praise from the Director, particularly at this time when he is heavily committed on major issues of concern to the Agency and the intelligence community. It is solid testimony that he has a deep understanding and appreciation of the work performed by these fine gentlemen.

3. Please convey my thanks to Captain [] and all the other Federal Protective Officers from the various zones which cover Agency installations. Although there is no basis for relaxing our security guard, it is quite important that these officers are fully aware that we very much appreciate their contribution in a total Agency team effort.
